YEELIGHT

Yeelight Staria Bedside Lamp Pro

Due to the wireless dock on the foot of the Staria Bedside Lamp Pro, you can easily charge your smartphone while you enjoy the dimmable light with adjustable color temperature - from warm white to cool white. The charging pad supports all popular smartphone models and automatically turns off when it gets in contact with foreign metal objects such as keys or scissors. In addition, the lamp supports timer functions, light modes and voice control and can be operated with phone* via Yeelight app.

*Compatible with Android 4.4 (or higher) & iOS 8.0 (or higher)
